## **TYPES OF INFORMATION WE COLLECT**

In the normal course of business we collect the following personal and technical information:

### **Registration Data (provided by you)**

When you voluntarily enter personal information into our website it is stored:

- To deliver services, such as newsletters, offers, contests and sweepstakes, surveys, message boards, and other items
- To alert you to news, events, contests, and other items if you so request

You may choose not to enter requested information, but that may prevent you from taking advantage of offerings such as contests and sweepstakes, subscribed newsletters, and customer surveys.

### **Usage (Log) Data (automatic collection)**

We also gather and analyze Usage or Log Data including your IP (Internet Protocol) address, which is assigned by your ISP (Internet Service Provider). Website management through use of Log Data helps to diagnose problems with and optimize performance of the server. It also allows us to evaluate user traffic patterns into, out from, and within our web site.

## **HOW WE USE YOUR INFORMATION**

### **Personal**

We do not disclose personally identifying information except as provided for by this policy.

We do share personally identifying information for the following purposes: In House and within the J&K Associates, Inc. and to comply with the request of any Law Enforcement authority.

### **Customer Statistics**

We do provide information with no personally identifiable information to a variety of third parties. Some general examples include: aggregate statistics about customers, traffic patterns, and other related site information.

### **Links to Other Websites**

When you visit the EasyWebsites.Info and TheGoods.Net website, you may be linked to other sites outside our service. This includes links to sites operated by EasyWebsites.Info and TheGoods.Net partners. These other sites may send their own cookies to users, collect data, or solicit personal information. These partner sites are not subject to this Privacy Policy.

## **SAFEGUARDING YOUR INFORMATION**

EasyWebsites.Info is committed to protecting the security of your information. Our system strives to protect the confidentiality of your financial data with secure transactions. We also utilize technical software tools such as "firewalls" to reduce the chance of invasion by unauthorized entities.

## **CHILDREN'S PRIVACY**

The protection and safety of children is important to us at EasyWebsites.Info and TheGoods.Net. With this being professional websites, whose services aren't of an entertainment nature nor geared towards children. Being that our sole purpose is to produce websites for clients, we do not anticipate children to submit information to us. However, if a person under the age of 18 were to submit information to us, we would handle the case with the utmost respect and privacy for the child and to the parents or guardian. We have minor children ourselves and would like the same courtesy and privacy extended to our own family.
